

ISAHU Bill Report
Prepared by: Trent Hahn
Report created on March 18, 2016

HB1136

INSURANCE MATTERS (LEHMAN M) Requires gaming facilities to pay to the state a special worker's compensation fee and removes a requirement for gaming facilities to reimburse the state for certain worker's compensation expenses. Amends the application of the annual audited financial report law to domestic insurers. Specifies that an insurer is not prevented from making available a named driver exclusion in a commercial motor vehicle policy. Provides for suspension of a nonresident insurance producer license and a nonresident public adjuster license if the home state license is not effective in good standing. Specifies certain requirements for a domestic insurer that is part of an insurance holding company system, including requirements related to financial disclosures and activities. Defines and specifies requirements for supervision of an internationally active insurance group, including determination of a supervising regulatory official. Specifies penalties for violations of the insurance holding company system law. Requires certain information to be provided to and submitted to a data base by a closing agent within a certain period following a real estate or mortgage transaction. Amends the definition of "good funds" for purposes of the law concerning escrow disbursements by closing agents in real estate transactions. Defines "small employer" for purposes of health insurance plans that are not grandfathered under federal law. Requires health coverage independent review organizations to provide notice of an expedited determination within 72 hours after the grievance or review is filed, rather than 24 hours after the determination is made. Provides for the property and casualty insurance guaranty association to obtain reimbursement for certain payments in connection with large deductible worker's compensation policies. Allows the commissioner, in insurer supervision proceedings, to pursue insurance proceeds for certain acts or omissions of officers and directors of the supervised insurer. Urges the legislative council to assign to an interim study committee a subject concerning bond related to public private agreements. Makes conforming amendments.

HB1263

HEALTH INFORMATION; TELEMEDICINE (KIRCHHOFFER C) Requires the secretary of family and social services to provide information concerning the Medicaid program, the healthy Indiana plan, and the children's health insurance program to the legislative services agency upon request for the purposes of doing analysis related to those programs. Sets forth requirements that must be met before: (1) a physician; (2) a physician assistant; (3) an advanced practice nurse; or (4) an optometrist; with prescriptive authority may issue a prescription to a patient receiving telemedicine services. Provides that certain drugs and devices may not be prescribed through the use of telemedicine. Specifies jurisdiction for out-of-state providers providing health care services to patients located in Indiana through the use of telemedicine and requires these providers and entities that employ or contract with these providers to certify certain information with the Indiana professional licensing agency (agency). Authorizes the agency to adopt policies and rules concerning the required certification. Authorizes the medical licensing board to adopt rules establishing guidelines for the practice of telemedicine.

SB30

ACCIDENT AND SICKNESS INSURANCE CLAIM DENIALS (MILLER P) Requires the department of insurance to develop, post, and maintain on the department's Internet web site information concerning internal and external grievances for accident and sickness insurance policies and health maintenance organization contracts. Provides for certain grievance related notice to be provided upon request. Requires the commissioner of insurance to analyze certain complaints received by the department and report a pattern of complaints to the legislative council. (The introduced version of this bill was prepared by the interim study committee on public health, behavioral health, and human services).

SB206

FSSA MATTERS (MILLER P) Allows the secretary of family and social services (secretary) to delegate appointment authorities, the issuance of certain orders, and other acts to carry out the functions of the divisions to an individual. Authorizes the secretary to adopt rules concerning the implementation and administration of the early education grant pilot program. Changes references from intermediate care facility for the mentally retarded to intermediate care facility for individuals with intellectual disabilities. Removes the expiration of the law concerning the waiver to set an emergency placement priority for individuals in certain situations. Allows the office of Medicaid policy and planning to use: (1) a fingerprint-based criminal history check for certain providers under the Medicaid program; and (2) a contractor to obtain the criminal history checks. Adds a representative of the Indiana Academy of Physician Assistants

to the Medicaid advisory committee. Creates an exception for state institutions concerning advanced practice nurses acting under a collaborative agreement with a practitioner, requiring that the nurse act under privileges granted by the governing body of the institution.
