

HB1001

STATE BIENNIAL BUDGET (BROWN T) Appropriates money for capital expenditures, the operation of the state, K-12 and higher education, the delivery of Medicaid and other services, and various other distributions and purposes. Provides for bonding authority for capital projects for higher education institutions. Repeals the bonding authority for the Purdue University West Lafayette-Animal Disease Diagnostic Laboratory enacted in 2007. Terminates the legislative evaluation and oversight program. Replaces the statutory appropriation from the counter cyclical and revenue stabilization fund to the state general fund based on the budget report with a limited discretionary transfer determined by the budget director and approved by the governor. Specifies powers of the treasurer of state, acting as the chairperson of the achieving a better life experience (ABLE) board, related to the approval of expenses of the ABLE board and the ABLE authority. Adds powers for an emergency manager appointed by the distressed unit appeal board (DUAB) and removes the requirement to carry out certain actions. Adds conditions for the termination of distressed status. Permits an emergency manager to request that the DUAB waive the requirement that protected taxes are not reduced as a result of the circuit breaker credit for excessive property taxes. Specifies for purposes of a claim against a governmental entity that the emergency manager is acting on behalf of the distressed political subdivision and not the state. Provides civil immunity for an emergency manager with respect to an act or omission made in the course and scope of duties prescribed by the DUAB. Eliminates certain special provisions applying to school corporations, including the provisions applying to the Gary Community School Corporation. Designates the Gary Community School Corporation as a distressed political subdivision. Requires the DUAB to annually review the Gary Community School Corporation to determine whether the designation of distressed unit status should be terminated. Requires the emergency manager to report to the DUAB monthly instead of quarterly. Permits the attorney general to represent the emergency manager upon request in certain matters. Increases the cigarette tax by \$1 to \$1.995 per pack of regular size cigarettes (and a corresponding increase for larger cigarettes), and uses the additional revenue for reimbursements of Medicaid providers. Establishes the Medicaid provider reimbursement fund for deposit of a part of the cigarette taxes, registration fees, fines, and penalties collected under the cigarette tax law. Provides for an income tax deduction for military retirement and survivor's benefits of \$8,000 for the 2018 taxable year and \$16,000 for a taxable year after 2018 (retains a \$5,000 deduction for military income that is not a military retirement benefit, which is now a combined deduction including military income and military retirement benefits). Increases the maximum school scholarship income tax credits that may be awarded during a state fiscal year beginning after June 30, 2017, to be the greater of \$12,500,000 or the total amount of credits awarded in the most recent state fiscal year multiplied by 120%. Eliminates the expiration provisions in current law for the venture capital investment tax credit. Provides that a taxpayer may assign all or part of a venture capital investment tax credit. Specifies certain restrictions on the assignment of a venture capital investment tax credit. Provides that the issuance or assignment of a certificate or tax credit under the venture capital investment tax credit is not subject to the Indiana securities law. Provides that an acute care hospital is entitled to a credit against the hospital's adjusted gross income tax liability equal to 50% of the property taxes paid in Indiana. (The current credit is equal to 10% of the property taxes paid in Indiana.) Provides that the amount of any unused credit may be claimed as a refundable tax credit. Repeals requirements for estimates of local income tax certified distributions by the budget agency. Changes the name of the next generation trust and trust fund to the next level Indiana trust and trust fund. Establishes the next level Indiana board to be the trustee of the trust fund and to direct the investments of the trust. Provides broader investment powers to the trustee. Caps the investments that may be made by the next level Indiana trust fund at 50% for investments that maximize risk appropriate returns and that make significant investments in Indiana funds and companies. Removes obsolete provisions concerning the trust fund. Specifies that money in each horse breed development fund is continuously appropriated to make payments ordered by the horse racing commission. Specifies that the horse racing commission's share of the money in the gaming integrity fund is continuously appropriated to carry out the purposes of the fund. Specifies that the money in the standardbred horse fund is continuously appropriated to carry out the purposes of the fund. Provides that a governmental entity may issue a request for information with respect to a public-private agreement: (1) to consider the factors involved in, the feasibility of, or the potential consequences of a contemplated project involving a public facility or transportation project; (2) to prepare a request for proposals; or (3) to evaluate any aspect of an existing public-private agreement. Provides that responses to a request for information are confidential unless confidentiality is waived in writing. Provides that the governmental entity issuing the request for information is not required to take any action after receiving a response to a request for information. Repeals provisions authorizing the Indiana finance authority to enter into a public-private agreement for communications systems infrastructure with a single offeror based solely on a request for information. Establishes the Indiana tourism task force to study the tourism departments of other states for the purposes of learning: (1) the structure of state tourism departments; (2) the level of funding provided to state tourism departments; and (3) the relationship between state funding of a state's tourism department and the economic impact of tourism on the state. Merges the law enforcement academy building fund and the law enforcement training fund into the law enforcement academy fund with no changes to the funds' uses. Allows the law enforcement academy to charge a fee to all users for training and corresponding marginal and fixed costs according to an annual cost and fee schedule approved by the budget director. Allows the academy to house and train law enforcement agencies from outside Indiana. Provides that deer research and management fund fee revenue, migratory waterfowl stamp revenue, and game bird

restoration stamp revenue may be retained in the fish and wildlife fund if the budget agency finds that it would reduce the balance in the fish and wildlife fund below \$3,000,000 at the end of the state fiscal year. Changes the expiration dates for the hospital assessment fee and the health facility quality assessment fee from June 30, 2017, to June 30, 2021. Modifies the replacement facility exemption for purposes of the prohibition on the approval of licensure of comprehensive care health facilities and comprehensive care beds, and extends the prohibition through June 30, 2023. Provides for an increase in the reimbursement

HB1273

OUT OF NETWORK HEALTH CARE SERVICES (BAIRD J) Specifies patient, state and local government employee health plan, and accident and sickness insurer liability for payment for out of network health care services provided: (1) in an emergency; and (2) when non-emergent and the health care services are arranged by, provided in, or referred by an in network provider. Requires the commissioner of insurance to approve and post on the department of insurance Internet web site: (1) at least one independent data base to be used in establishing payments to out of network providers; and (2) a list of mediators to be used in certain out of network payment disputes between providers and the third party payers. Requires certain notices by the third party payers and out of network providers. Makes conforming amendments.

HB1318

INSURANCE MATTERS (CARBAUGH M) Provides that, for purposes of the insurance law, a United States Postal Service intelligent mail bar code tracking record, a certificate of mailing, or another similar first class mail method may be used as proof of mailing. Provides that an insurance producer education course may concern sales, motivation, psychology, and time management. Allows a prospective continuing education provider to electronically submit supporting materials for a course. Amends the description of an extraordinary dividend or distribution for purposes of the insurance holding company system law. Removes requirements for independent insurance adjuster applicants to submit Social Security numbers to the department of insurance. Changes references in the Lloyds insurance law from the auditor of state to the insurance commissioner. Removes certain transfer and notice requirements that apply to an insurer that transfers an insured under a commercial property and casualty, an automobile insurance, or a residential property policy to an affiliate of the insurer. Allows a person to exercise certain rights connected to a netting agreement, qualified financial contract, or similar agreements without respect to any provision of IC 27. Defines "cyber liability" for purposes of the tort claims act and allows the state to purchase a policy of insurance to cover cyber liability risks. Repeals a current transfer notice requirement that applies to residential property policies. Makes technical changes.

HB1337

TELEMEDICINE MATTERS (KIRCHHOFER C) Requires the office of Medicaid policy and planning (office) to reimburse a Medicaid provider for telemedicine services who meets certain requirements. Prohibits the office from setting any distance restrictions under Medicaid on telehealth services and telemedicine services. Requires reimbursement for telemedicine services under the healthy Indiana plan. Adds certain providers to the definition of "provider" for purposes of telemedicine services. Gives a telemedicine services provider discretion in contacting the patient's primary care provider if the telemedicine services provider has provided care to the patient at least two consecutive times through the use of telemedicine services. Removes a limitation on prescribing controlled substances through the use of telemedicine except for the prescribing of opioids. Allows the use of a partial agonist to treat or manage an opioid dependence.

HB1439 FSSA MATTERS (KIRCHHOFER C) Allows a Medicaid recipient who is incarcerated to have the recipient's Medicaid suspended for up to two years instead of one year before terminating the recipient's Medicaid eligibility. Defines "comprehensive risk contract" and "managed care organization" for purposes of Medicaid. Specifies that if a provision of Indiana insurance law conflicts with the administration of a law applying to a managed care organization with respect to the managed care organization's Medicaid responsibilities, the law applying to the managed care organization with respect to the Medicaid responsibilities is controlling. Changes language in the Medicaid law to reflect the existence of more than one risk based managed care program. Removes obsolete references to "primary care case management". Removes references to "insurer", "insurance", and "health maintenance organization" in the law concerning the healthy Indiana plan to reflect the sole use of managed care organizations to provide coverage under the plan. Makes conforming amendments. Makes a technical correction to a federal Code citation.

SB63 COMMUNITY MENTAL HEALTH CENTER TELEMEDICINE PILOT (HEAD R) Establishes a two year community mental health center telemedicine pilot program (program) to be administered by the division of mental health and addiction (division). Provides that the purpose of the program is to provide mental health counseling and services to children through the use of telemedicine. Sets forth requirements for the program and for participation in the program. Requires the reporting of certain information. Allows a provider providing telemedicine services in the program to prescribe any prescription drug except for certain opioids for a patient that is within the provider's scope of practice for the treatment of the patient's mental health. Specifies that the provider may not prescribe an abortion inducing drug. Requires the division to submit a report to the general assembly concerning the effectiveness of the program. Specifies that a provider is not required to have a prior established provider-patient relationship in order to provide telemedicine services in Indiana.
