

HB1001

STATE BIENNIAL BUDGET (BROWN T) Appropriates money for capital expenditures, the operation of the state, K-12 and higher education, the delivery of Medicaid and other services, and various other distributions and purposes. Provides for bonding authority for capital projects for higher education institutions. Terminates the legislative evaluation and oversight program. Replaces the statutory appropriation from the counter-cyclical revenue and economic stabilization fund to the state general fund based on the budget report with a limited discretionary transfer determined by the budget director and approved by the governor, after review by the budget committee. Requires the attorney general to include certain language concerning settlement funds in proposed court order language. Establishes the agency settlement fund for purposes of receiving certain funds paid to the state as part of a settlement or similar agreement. Establishes the personal services/fringe benefits contingency fund for the purpose of allotting money to departments, institutions, and state agencies for: (1) salary increases; (2) fringe benefit increases; (3) an employee leave conversion program; (4) state retiree health programs; and (5) any related expenses. Provides that the budget agency shall administer the fund and may use money in the fund only with the approval of the governor. Specifies that money in each horse breed development fund is continuously appropriated to make payments ordered by the horse racing commission. Specifies that the horse racing commission's share of the money in the gaming integrity fund is continuously appropriated to carry out the purposes of the fund. Merges the law enforcement academy building fund and the law enforcement training fund into the law enforcement academy fund with no changes to the funds' uses. Allows the law enforcement academy to charge a fee to all users for training and corresponding marginal and fixed costs according to an annual cost and fee schedule approved by the budget director. Allows the academy to house and train law enforcement agencies from outside Indiana. Establishes the Indiana tourism task force to study the tourism departments of other states for the purposes of learning: (1) the structure of state tourism departments; (2) the level of funding provided to state tourism departments; and (3) the relationship between state funding of a state's tourism department and the economic impact of tourism on the state. Increases the maximum school scholarship income tax credits that may be awarded during a state fiscal year beginning after June 30, 2017, to \$12,500,000. Provides that an acute care hospital is entitled to a credit against the hospital's adjusted gross income tax liability equal to 20% of the property taxes paid in Indiana. (The current credit is equal to 10% of the property taxes paid in Indiana.) Specifies that the credit applies only to taxes on real property. Provides that the amount of any unused credit may be claimed as a refundable tax credit. Authorizes the county council of Vigo County to adopt a county food and beverage tax. Provides that the tax rate may not exceed 1%. Specifies the purposes for which the revenue may be used. Requires the budget agency to retain and transfer to the department of state revenue in 2019 a part of the certified distribution of local income tax that is equal to the amount of the certified distribution that represents certified shares for calendar year 2018 multiplied by 0.5%. Specifies that the money in the standardbred horse fund is continuously appropriated to carry out the purposes of the fund. Provides that a governmental entity may issue a request for information with respect to a public-private agreement: (1) to consider the factors involved in, the feasibility of, or the potential consequences of a contemplated project involving a public facility or transportation project; (2) to prepare a request for proposals; or (3) to evaluate any aspect of an existing public-private agreement. Provides that responses to a request for information are confidential unless confidentiality is waived in writing. Specifies that a person denied the right to inspect or copy records designated as confidential may file a formal complaint with the public access counselor or may request an advisory opinion or make an informal inquiry. Provides that the governmental entity issuing the request for information is not required to take any action after receiving a response to a request for information. Repeals provisions authorizing the Indiana finance authority to enter into a public-private agreement for communications systems infrastructure with a single offeror based solely on a request for information. Requires the state board of finance to notify the state board of education and the department of education (DOE) when the state board of finance takes certain actions. Authorizes the Indiana department of veterans' affairs to make grants to be used for the purpose of providing services to veterans. Provides for an increase in the reimbursement rate for certain services provided to an individual under a Medicaid waiver and whose services are delivered by direct care staff. Provides that the state personnel department is the entity responsible for maintaining the plans of self-insurance for employees, including retired employees, of the state police department, conservation officers of the department of natural resources, and the state excise police. Changes the expiration dates for the hospital assessment fee and the health facility quality assessment fee from June 30, 2017, to June 30, 2019. Provides that deer research and management fund fee revenue, migratory waterfowl stamp revenue, and game bird restoration stamp revenue may be retained in the fish and wildlife fund if the budget agency finds that it would reduce the balance in the fish and wildlife fund below \$3,000,000 at the end of the state fiscal year. Modifies the replacement facility exemption for purposes of the prohibition on the approval of licensure of comprehensive care health facilities and comprehensive care beds, and extends the prohibition through June 30, 2019. Increases the funding from \$6,600 to \$6,750 per student for three charter schools that provide adult education. Changes the number of students for these schools that may be funded. Provides that the spring ADM count of students is only for informational purposes. Specifies the foundation amounts, special education grant amounts, and honors diploma award amounts. Requires the state board of education to amend its rule establishing developmental delay as a disability category to provide that, beginning July 1, 2018, developmental delay is a disability category solely for students who are at least three years of age and less than nine years of age. (Currently, developmental

delay is a disability category solely for students who are at least three years of age and not more than five years of age.) Adds developmental delay as a category for mild and moderate disabilities for purposes of determining special education grant amounts. Requires the department of workforce development (DWD), with approval of the state board of education, to designate each career and technical education program (program) based on specified program designations. Provides that a program must be approved by the DWD in order for a school corporation to receive a career and technical education enrollment grant (grant). Specifies the calcula

HB1318

INSURANCE MATTERS (CARBAUGH M) Provides that, for purposes of the insurance law, a United States Postal Service intelligent mail bar code tracking record, a certificate of mailing, or another similar first class mail method may be used as proof of mailing. Provides that an insurance producer education course may concern sales, motivation, psychology, and time management. Limits continuing education in those areas to four hours per renewal period. Allows a prospective continuing education provider to electronically submit supporting materials for a course. Amends the description of an extraordinary dividend or distribution for purposes of the insurance holding company system law. Removes requirements for independent insurance adjuster applicants to submit Social Security numbers to the department of insurance. Changes references in the Lloyds insurance law from the auditor of state to the insurance commissioner. Removes certain transfer and notice requirements that apply to an insurer that transfers an insured under a commercial property and casualty, an automobile insurance, or a residential property policy to an affiliate of the insurer. Limits certain actions by a property and casualty insurer with respect to primary residence property loss of an innocent coinsured. Allows a person to exercise certain rights connected to a netting agreement, qualified financial contract, or similar agreements without respect to any provision of IC 27. Defines "cyber liability" for purposes of the tort claims act and allows the state to purchase a policy of insurance to cover cyber liability risks. Repeals a current transfer notice requirement that applies to residential property policies. Urges the legislative council to assign for 2017 interim study the topic of statutory incorporation by reference of certain documents. Makes technical changes.

HB1337

TELEMEDICINE MATTERS (KIRCHHOFER C) Requires the office of Medicaid policy and planning (office) to reimburse a Medicaid provider, determined by the office to be eligible, for covered telemedicine services. Prohibits the office from setting any distance restrictions under Medicaid on telehealth services and telemedicine services. Adds podiatrist to the definition of "prescriber" for purposes of telemedicine services. Requires a telemedicine services prescriber to contact the patient's primary care provider if the telemedicine services prescriber has provided care to the patient at least two consecutive times through the use of telemedicine services. Removes a limitation on prescribing controlled substances except for opioids through the use of telemedicine if: (1) the prescriber maintains a controlled substance registration; (2) the prescriber meets federal requirements concerning the prescribing of the controlled substance; (3) the patient has been examined in person by a licensed Indiana health care provider that has established a treatment plan to assist the prescriber in the diagnosis of the patient; (4) the prescriber has reviewed and approved the treatment plan and is prescribing for the patient pursuant to the treatment plan; and (5) the prescriber complies with the requirements of the INSPECT program. Allows for the prescribing of an opioid using telemedicine services if the opioid being prescribed is a partial agonist being prescribed to treat or manage an opioid dependence.

HB1439

FSSA MATTERS (KIRCHHOFER C) Allows a Medicaid recipient who is incarcerated to have the recipient's Medicaid suspended for up to two years instead of one year before terminating the recipient's Medicaid eligibility. Defines "comprehensive risk contract" and "managed care organization" for purposes of Medicaid. Specifies that if a provision of Indiana insurance law conflicts with the administration of a law applying to a managed care organization with respect to the managed care organization's Medicaid responsibilities, the law applying to the managed care organization with respect to the Medicaid responsibilities is controlling. Changes language in the Medicaid law to reflect the existence of more than one risk based managed care program. Removes obsolete references to "primary care case management". Removes references to "insurer", "insurance", and "health maintenance organization" in the law concerning the healthy Indiana plan (plan) to reflect the sole use of managed care organizations to provide coverage under the plan. Allows the secretary of the office of family and social services (office) to determine the amount, based on the individual's annual household income per year, that an individual must continue to contribute to the individual's health care account in order to participate in the plan. Provides that the amount determined by the office based on an individual's annual income must be budget neutral to the state as determined by the state budget agency. Requires that the federal government approve the contribution amount determined by the secretary. Makes conforming amendments. Makes a technical correction to a federal Code citation.

SB63

COMMUNITY MENTAL HEALTH CENTER TELEMEDICINE PILOT (HEAD R) Establishes a two year community mental health center telemedicine pilot program (program) to be administered by the division of mental health and addiction (division). Provides that the purpose of the program is to provide mental health counseling and services to children through the use of telemedicine. Sets forth requirements for the program and for participation in the program. Requires the reporting of certain information. Allows a provider providing telemedicine services in the program to prescribe any prescription drug except for certain opioids for a patient that is within the provider's scope of practice for the treatment of the patient's mental health. Specifies that the provider may not prescribe an abortion inducing drug. Requires the division to submit a report to the general assembly concerning the effectiveness of the program. Specifies that a provider is not required to have a prior established provider-patient relationship in order to provide telemedicine services in Indiana.
